Re: Comprehensive Water Policy Implementation Task Force

Dear Mayor Sanders and Council Members:

The Water Reliability Coalition (WRC) is a broad-based group of environmental, consumer, business, labor and technical organizations that have come together to support exploration of Indirect Potable Reuse (IPR) as a potential strategy to develop a safe, reliable, sustainable & cost-effective local water supply.

The WRC respectfully submits the following list of individuals for your consideration for nominations to the Comprehensive Water Policy Implementation Task Force. Resumes/CVs for each candidate are enclosed. Please do not hesitate to contact us or the candidate directly for further information.

We appreciate your consideration of these candidates.

Sincerely,
